Edition 1. Vol. 14

Guides: Mr. Craig, Mr. Shaq, Mrs. Tracey

## Our Break

### Classroom News

Chromebooks have arrived! You should have received your chromebook on Monday. If you have not received one, please contact any of the guides asap. The chromebooks are only for the MAP testing that will be taking place shortly. Researching resources and other apps will be added soon.

Testing will be soon! Testing will be different this year. Testing from home is not something we are used to. Let's remember to give the children their space to let them focus. This is our way to see how much our children have grown. We do not have a set schedule yet. Once we get a schedule, we will email you all.

Conferences are next week! Let's get active and sign up!
